

Celebrate *National Library Week: Drawn to the Library!* with Grand County Library District April 6–12, 2025

What draws people to the library? Everything! From books and digital resources to job assistance and creative programming, libraries are essential to thriving communities.

National Library Week, April 6–12, is a time to celebrate the many ways libraries bring people together, spark imagination, and support lifelong learning.

At Grand County Library District (GCLD), we invite the community to join the celebration! Whether you're a longtime patron or haven't visited in a while, now is the perfect time to explore all the library has to offer. Our libraries provide book clubs, weekly Storytimes, Afterschool Clubs, free Wi-Fi, digital collections and resources, Library of Things, career workshops, and much more. We ensure that everyone has access to resources that educate, inspire, and connect.

Whatever draws you in, the library has something for everyone. Whether you're preparing for a career change, launching a business, raising a family, or embracing retirement, GCLD is here to support your journey. Libraries serve as hubs for learning, creativity, and connection, helping people of all ages explore new ideas and opportunities.
